

# Fresnel Mini

VW,WW,CW,RGBW  
(1) 60W LED Mini Fresnel

## GENERAL INFORMATION

The **elektraLite Fresnel Mini** bring color mixing and versatile white light to this compact yet powerful line.

The **Fresnel Mini** utilizes a 60 watt COB LED which provides a clean and rich color mixing light output. Whether you need a splash of color or a specific white temperature, your stage or video needs will be well fulfilled. The **Fresnel Mini** is perfect for any show, event or even for displays in a museum or galleries.

The **Fresnel Mini's** zoom lensing system provides a packed punch of light in beam spreads from 35° to 50° with the twist of a knob. With the supplied barn doors, perfect cuts can be easily and precisely achieved.

This powerful, well-rounded LED lighting fixture has a rugged all-metal design and its on-board display and programming, makes it easy for anyone to bring vibrant colors to a wide variety of public spaces.

Control of the **Fresnel Mini** is via DMX or the fixture can be set to run manually or even automatically.

## FEATURES

- single COB 60 watt (RGBW, Variable White, Warm White, Cool White) LED giving rich consistent light with no hot spot
- 0-100% dimming using DMX or can be set manually for each color
- In-built zoom mechanism with no chromatic aberration.
- housing features rotating barn doors
